# HERITAGE RAILWAY & SKY TRAIL

One of Scarborough's top seaside attractions the North Bay Heritage Railway, Sky Trail and Historic Water Chute together are a great family day out. The locomotives, scenery and history of the railway all add up to make it a fantastic day.

*It doesn't take long, but you get a lovely trip with dedicated and warm staff members. It's particularly fun for the kids. The beautiful weather on the day we went made it so much better. Highly recommended!*
