

## **ACCESS**

The North Bay Railway is an attraction ideal for all the family and is dog, wheelchair and pushchair friendly, value for money and easily accessible.

Situated in the North Bay of Scarborough in the picturesque Northstead Manor Gardens, opposite Peasholm Park, Peasholm Park Station is accessed by a small tarmac driveway on Burniston Road, opposite Burniston Road Car Park. For Scalby Mills Station cars may park in the Sea Life Centre Car Park and passengers should take the steps or ramp up to the station.

A short train journey takes you either onto the Sea Front with amazing views of Scarborough Castle and the headland or to Peasholm Gap with Peasholm Park.

All our attractions are on the ground floor and are in a safe, car free environment, ideal for children and dogs, together with a covered Station Platform under which to shelter if it rains.

With wheelchair/pushchair access direct from the car parks at both ends. At Peasholm Station enter through our ticket office/gift shop and direct on to the Station Platform, where the Station Guards are happy to assist passengers with mobility difficulties or to direct wheelchairs or pushchairs to the end of the carriages, where ramp access enables them to park, fully occupied, during the journey.

Those visitors with mobility problems may be dropped off/picked up close to the Station Building where a member of staff will arrange train tickets and assist passengers to the platform area to await the train. Staff are happy to assist.

The train travels 7/8ths of a mile each way, either to the North Bay Sea Front near the Sea Life Centre, or from Peasholm Park to Scalby Mills and the Sea Life Centre.

The journey takes approximately 8 minutes one way and for a round trip, 20 minutes.

Passengers may leave the train and go for a walk or visit the Sea Life Centre, Beach or Crazy Golf and then return on a later train.

(For train times see the timetable in our brochure, Station Notice Boards or on our website).
